How the Foundation has supported Irons Oaks

The staff and facilities of the Irons Oaks Environmental Learning Center have greatly benefited through their relationship with the Irons Oaks Foundation. Foundation members provide volunteer support at events by making crafts, leading hikes, handing out schedules, selling raffle tickets, serving meals or greeting guests. Their financial support allows us to dream big and accomplish things that would not be possible without them.

Thank you to the Irons Oaks Foundation and we look forward to meeting each of *you* as you get involved!
